SCHOOL CHOICE FOR ALL

When it comes to universal school choice, it is going to take all of us! It is going to take a combined effort from schools, families, students, and community leaders across the state to let our legislators know that school choice is for ALL Hoosier families.

To build an effective army of advocates, the Institute for Quality Education (IQE), My School Options (MSO), and the Indiana Non-Public Education Association (INPEA) are working together on an advocacy plan to rival any other in the past. One of the key pieces to these efforts is obtaining stories from parents across the state. Help us tell the story of universal school choice by completing the below form using the link and telling us about your experience with the Choice Scholarship (voucher) Program.
